

HARPER ENGINEERING PMA PARTS

In an effort to provide the best price and service to our customers, Harper Engineering obtains PMA (identity) for the majority of our products.

Harper Engineering has a proven record of offering our customers the best quality, price and lead times for these items in the industry. By purchasing directly from the OEM, you can avoid distribution markups and delays.

Please follow these steps to view all of our parts for which we hold PMA, including:

- 787 Seat Track Fittings
- Bottle Brackets
- Hat Clips
- 737, 747, 787 Bin Latches
- 787 Ceiling Latches
